MIRTHQUAKE #28

"MY ERROR"

Bobby hides as a stowaway aboard a balloon on which some scientists are going on an expedition. When over the desert the balloon begins to sink, and the scientists throw out all excess weight, Bobby among the sandbags. He drops in the middle of the desert, and after wandering a long time, suffers from thirst and sees mirage after mirage, until finally he stumbles upon a motion picture company taking scenes in the desert. He believes this to be still part of his imagination with the result that he spoils many scenes for the director and finally breaks up the work.
